

Overview: The Asi Se Dice Level 1 Workbook Answer Key provides you a list of activities that helps to build strong reading and comprehension skills in Spanish. Each chapter includes a worksheet that will help you review important vocabulary and grammar.

This is an excellent way for you to review Spanish during your study time. Language Learning & Spanish Book Review The worksheets are highly customizable so that you can review any of your Spanish lessons with ease. You can also customize the chapters so that you can see at a glance if you are ready for a chapter. For example, if a chapter does not have review questions in it, you do not have to do any work! The audio files provide students with the content for the workbook. They also include games and review questions to help you review the content that you have just reviewed on the worksheets. After reviewing all the worksheets and the audio files, students will be given a review test. All the activities in the workbook will help you prepare for this.
